¹The information contained in this table only details the membership of the Michigan House of Representatives for the session years 1979-1988. It is not necessarily indicative of the total length of service of any one member in the house.

²The decennial reapportionment of Michigan House of Representative districts was approved May 21, 1982. Stopczynski, Strand, Trim, Van Singel, Watkins) whose service spanned that period. Those changes became effective for the November 1982 election. These representatives are listed with both the old and new district numbers and their period of service to each.
